Tina Paulos couldn't make it due to scheduling conflicts

II. Separate Optional state meet and Xcel state meet Effective 2014.

Discussion about numbers and viability of both meets if separate. Majority believed that numbers with the new changes would provide a successful meet if separate.

Anticipating upwards of 300 xcel gymnasts in the next season and there were approx.. 200 in 2013 state meet. Level 6-10 state meet would be held out of gym and Xcel could be either in gym or out of gym

Motion: Separate Optional state meet and Xcel state meet

Motion: Charity Christensen

2<sup>nd</sup>: Jodi Merrill

PASSED: Unanimously in favor of the change

III. State Meet Dates

Discussion about the best time for Xcel state meet to be held since it was voted to separate the meets. Discussion about before or after optional state meet. Heather C. brought up that there is never a meet on March 15-16 due to Optional state meet so there wouldn't be conflicts for any gyms

Motion: Xcel state meet to be held March 15-16, the weekend before Optional state meet

Motion: Heather Carmody

2<sup>nd</sup>: Courtney Marsh

\*Discussion about the level changes and that the new Level 2 would be achievement and the new Level 3 and 4 would be placement

\*\*Decided to take it to the membership at the calendar planning meeting in order to get input from everyone
